

Become a member of De Hunze

Are you looking for an outdoor sport? Do you also find pleasure and fun important when exercising? That's convenient! You can row with us (almost) all year round and enjoyment and fun are of paramount importance to De Hunze. On this page you can read how to become a member. You are very welcomed!

No rowing experience?

De Hunze will gladly teach you rowing. There are various courses. By participating in a course, you can get acquainted with rowing and then decide whether you want to become a member of De Hunze. More information about the courses can be found on the [Introductiecursus jeugd](#) (up to and including 18 years old) or on the [Introductiecursus volwassenen](#). It is not necessary to complete the "Inschrijfformulier form before you have completed the course.

Have you completed a Hunze rowing course?

Did you experience during the course that rowing is really a sport for you? Then become a member! Please complete the "[Inschrijfformulier](#)" after you have completed the course.

Experienced rowers

Have you learned to row at another rowing club or have you been a member before? Then we would like to invite you for a (renewed) introductory meeting. You can find more information on the page [Elders roeien geleerd](#). Fill in the form on that page and we will contact you. During the introductory meeting we will answer any questions and show you our building and our fleet. After that you will know what we can offer and we would like to hear if you become a member. Then fill in the "[Inschrijfformulier](#)".

Costs

[Stichting Leergeld](#) may contribute to the costs for young people.

Confirmation of application

After you have sent the membership form, you will automatically receive a confirmation. This will be sent to the specified e-mail address. Experience shows that this is sometimes classified as "spam". Please take a look at your spam folder. Did it not end up in there? Then [e-mail](#) the secretary to check whether your form has been received. It is often not necessary to submit the form again.

Membership

The association year is the same as the calendar year. The main rule is that membership can only be terminated annually as of 31 December. Your cancellation of membership must have been received by the secretary before 1 December. In this way we keep our budget balanced. For cancellation an e-mail to the secretary is sufficient to inform you that you want to cancel.
